

## **UNSTONE GRANGE POLICY ON DOGS**

Unstone Grange is a wonderful place to be and occasionally we get asked if it is ok to bring a dog. We love dogs here but not everybody does so we prefer it if you can leave your dogs with someone else when you visit us.

If you really must bring your dog, to make this work for everyone:

- You can throw a ball or consciously walk it round but otherwise keep dogs on a lead at all times.
- Dont allow your dogs upstairs, on the furniture, in the main lounge or kitchen, or leave your dog alone in any room.
- Make sure you dog is not a nuisance to others.
- Clear up any mess they leave.

Thank you for helping us keep this a pleasant place to be.
