BOOKING INFORMATION

Our Facilities

Unstone Grange is a Victorian house set in nearly 5 acres of beautiful grounds and gardens, which we look after according to organic and permaculture principles. As a Centre for Personal Creative Growth we want to encourage people to come here to work on consciously moving forward in their own lives in whatever way is appropriate for them at the time.

We welcome group bookings throughout the year. We have 3 group rooms, including the dining room, a good sized kitchen, 10 bedrooms with up to 36 bed spaces, a large barn, a camping field, lawns and gardens.

Unstone Grange can be booked either self-catered, with use of the large kitchen to do all your own cooking, or fully-catered. The fully-catered option includes a self-serve breakfast, lunch and evening meal (we do our best to accommodate dietary needs), and drinks and biscuits at break times.
